2019 Program Pick Up Authorization and Photo Release

For the safety of all of the children and families participating in our summer programs we have a specific check-in and check-out policy. Each child will be checked-in and checked-out at the beginning and end of each program. The person picking up the child will be required to show **photo ID every day** and **needs to be on the “authorization for pick-up” list**. Please add anyone that could possibly be picking your child up **(including yourself)** to the bottom half of this sheet. You may wish to consider neighbors, parents of other children in the program, etc. in the event an occasion arises and you are unable to make it. Your child will only be released to the people on this list.
