

NOTICE TO HUNTERS

Due to construction and wetland restoration activities at Braddock Bay, hunting in the Braddock Bay area is prohibited within 500 feet of active work zones during the dates listed below, or when equipment or personnel are present.

This work is critical to protect and restore the integrity of Braddock Bay wetlands and the habitat that they provide for fish and wildlife. If you have any questions please send them to Braddock.Bay@usace.army.mil. For more information on this project please visit:
