

# BARNARD FIRE DISTRICT

GREECE, NY

*Public Information Meeting  
September 7, 2022  
6:00 p.m.  
Barnard Firehouse  
3084 Dewey Avenue  
Greece, NY 14616*

*The purpose of this public information meeting will be to inform the residents of the Barnard Fire District*

*The Board of Fire Commissioners has determined that it is necessary to renovate the interior layout of the Barnard Fire District Fire Station (the "Station") to improve functionality, efficiency of circulation, and the utilization of space within the Station (the "Proposed Action"); and*

**WHEREAS**, *the Station is approximately 23,600 square feet, spread out over a basement level, main floor, and second floor: and*

**WHEREAS**, *the Proposed Action will involve the replacement, rehabilitation, or reconstruction of the Station, in-kind, on the same site.*

**NOW, BE IT RESOLVED, THEREFORE AS FOLLOWS:**

1. *The Board makes the following findings in support of its determination:*
  - a. *The scope of the Proposed Action involves the renovation of the interior layout of the Station, and it will involve work in the basement, first floor, and second floor, with limited exterior work on the roof including the replacement and/or addition of existing rooftop HVAC units.*
  - b. *The scope of the Proposed Action involves a replacement, rehabilitation, or reconstruction of the Station in-kind within the Station's current size and footprint.*
  - c. *The total area of the Station is approximately 23,600 square feet, such that the renovation work at the Station will not exceed any of the thresholds in 6 NYCRR §617.4.*
