#87A - Councilwoman Christodaro offered the following resolution and moved its adoption; seconded by Councilman Conlon:

WHEREAS, FQSR, LLC (dba KBP Foods) (the "Applicant/Project Sponsor") has submitted a request to the Town Board (the "Town Board") of the Town of Greece, Monroe County, New York (the "Town") for a waiver of the requirements for a new special use permit to operate an existing restaurant, known as Kentucky Fried Chicken (aka "KFC"), on property located at 2910 West Ridge Road, in a BR (Restricted Business) Zoning District; and

WHEREAS, having considered carefully all relevant documentary, testimonial, and other evidence submitted, the Town Board makes the following findings:

1. In summary, the Applicant/Project Sponsor's proposal (the "Proposal") is to operate an existing restaurant in a freestanding building and site that currently are used for that restaurant (the "Premises"). The Proposal includes preparation, service, and sale of hot and cold foods (principally, fried chicken, salads, and desserts) and beverages (such as soft drinks), for consumption on the Premises and for takeout (including a drive-up service window). The Proposal does not include outdoor cooking, outdoor loudspeakers,

outdoor seating, delivery service, or sale or service of alcoholic beverages. Background music and live entertainment (as these terms are defined in the Town's zoning ordinance) will not be provided on a recurring basis. Background music, live entertainment, and the Applicant/Project Sponsor's sponsorship of, affiliation with, permission for, or participation in one-time or recurring special or promotional events on the Premises will be subject to the requirements and restrictions of the Code of the Town of Greece, New York, Chapter 175 (Special Events). The proposed hours of availability to the public are: Sundays through Saturdays, 11:00 a.m. to 9:00 p.m. Vehicular access to the Premises is via an unsignalized driveway at West Ridge Road (New York State Route 104, a seven-lane, urban principal arterial street) and via Pennels Drive (a two-lane Town of Greece subdivision road), which connects to West Ridge Road at an unsignalized intersection.

2. Upon review of the Proposal, the Town Board determined that the Proposal is subject to the State Environmental Quality Review Act (New York State Environmental Conservation Law, Article 8) and its implementing regulations (6 NYCRR Part 617, the "SEQRA Regulations") (collectively, "SEQRA"), and that the Proposal constitutes a Type II action under SEQRA. (SEQRA Regulations, § 617.5(c)(26).)
3. According to SEQRA, Type II actions have been determined not to have a significant adverse impact on the environment and are not subject to further review under SEQRA.

NOW, THEREFORE, be it

RESOLVED that, based on the aforementioned information, documentation, testimony, and findings, SEQRA does not require further action relative to the Proposal.
