Resolved that this board grant authorization to transfer 20.16± acres of property located at 354 Island Cottage Road (Mon. Co. Tax No.: 046.01-16.111) to MuniPro, Inc.

SEQR Determination

WHEREAS, the Town Board proposes transferring 20.16 acres of town-owned real property (the "Premises") located at 354 Island Cottage Road (Mon. Co. Tax No.: 046.01-1-6.111) to MuniPro, Inc.; and

WHEREAS, the Town Board makes the following findings:

5. The proposed transfer of the Premises is subject to review under the SEQRA Regulations, and constitutes an Unlisted action; and

6. On June 3, 2025 in the Greece Town Hall, 1 Vince Tofany Boulevard, a public hearing was held pursuant to New York State Not-for-Profit Corporation Law §1411 to consider the proposed property transfer, at which time all parties in interest and citizens were afforded an opportunity to be heard; and,

8. The Premises was acquired by the Town of Greece pursuant to Town Board Resolution #75, dated February 24, 2004, without restriction on use or disposition. 9. Members of the community have expressed concerns over contaminants associated with the former Air Force Plant #51 (AFP51) located at 4777 Dewey Avenue potentially migrating toward the Premises and the potential for further environmental degradation resulting from site disturbance associated with development. The Applicant has conducted additional environmental testing, specifically to identify contamination associated with AFP51, and provided a report prepared by Day Environmental, Inc., dated September 2025, which concludes *"Based on the work completed during this study, there is no evidence that contaminants migrating from AFP51 have impacted the site"*; and,

10. The Town Board has carefully considered the Environmental Assessment Form (EAF) and supporting documentation which together with this resolution constitute the Environmental Analysis; and,

11. The Town Board has met the procedural and substantive requirements of SEQRA and concurs with the information and conclusions contained in the Environmental Analysis.

NOW, THEREFORE, be it

RESOLVED that, pursuant to SEQRA, based on the aforementioned information, documentation, testimony, and findings, the Town Board determines that the proposed transfer of property will not have a significant adverse impact on the environment, which constitutes a negative declaration.

AND

12. A deed restriction shall be placed on the Premises requiring that any future residential use be limited to housing for Senior Citizens as defined in Chapter 211 of Town of Greece Code.

RESOLVED that this Town Board grant authorization to approve a resolution in support of Congressman Nick Langworthy's Energy Choice Act and to urge Congress to pass said act to defend consumer choice, protect energy affordability, and preserve reliable access to natural gas for the residents of the Town of Greece and throughout New Yorker State.

A RESOLUTION IN SUPPORT OF CONGRESSMAN NICK LANGWORTHY'S ENERGY CHOICE ACT (H.R. 3699, S. 1945) AND IN OPPOSITION TO GOVERNMENT-MANDATED NATURAL GAS BANS

WHEREAS, affordable and reliable energy is essential to the health, safety, and economic prosperity of New York families, businesses, and communities; and

WHEREAS, natural gas remains a dependable, cost-effective, and clean-burning energy source used by millions of New Yorkers to heat their homes, cook their food, and power their businesses; and

WHEREAS, in 2019, New York State enacted the **Climate Leadership and Community Protection Act (CLCPA),** which mandates aggressive emissions reductions and serves as the foundation for sweeping energy restrictions, including efforts to phase out natural gas; and

WHEREAS, building on the CLCPA, Governor Kathy Hochul and the New York State Legislature in 2023 enacted provisions in the state budget banning natural gas and other fossil fuel hookups in most new residential and commercial buildings, effective 2026 for smaller buildings, and 2029 for larger buildings, thereby eliminating consumer choice and limiting access to affordable energy; and

WHEREAS, Governor Hochul has publicly supported these bans and related measures as part of her administration's climate and energy agenda, despite widespread concerns that such mandates will increase costs, strain grid reliability, and restrict energy diversity; and

WHEREAS, these top-down policies undermine affordability, threaten reliability during peak demand, and strip away the freedom of consumers and businesses to choose the energy sources that best meet their needs; and

WHEREAS, Congressman Nick Langworthy of New York and Senator Jim Justice of West Virginia introduced the **Energy Choice Act (H.R. 3699, S. 1945)**, federal legislation that ensures state and local governments cannot restrict consumer access to natural gas and other affordable energy sources, thereby protecting freedom of choice for New Yorkers and all Americans; and

WHEREAS, the Energy Choice Act would safeguard households, small businesses, hospitals, farmers, and manufacturers from harmful government overreach and preserve access to an "all-of-the-above" energy strategy that strengthens reliability and affordability;

NOW, THEREFORE, BE IT RESOLVED, that the Town of Greece strongly supports the Energy Choice Act as introduced by Congressman Langworthy (H.R. 3699) and Senator Justice (S. 1945) and stands firmly opposed to New York State's natural gas bans, the CLCPA-driven restrictions, and other state energy mandates that eliminate consumer choice; and

BE IT FURTHER RESOLVED, that the Town of Greece urges Congress to pass the Energy Choice Act to defend consumer choice, protect energy affordability, and preserve reliable access to natural gas for New Yorkers; and

BE IT FURTHER RESOLVED, that copies of this resolution be sent to Congressman Nick Langworthy, Senator Jim Justice, the New York Congressional delegation, Senators Chuck Schumer and Kirsten Gillibrand, Governor Kathy Hochul, and leadership of the New York State Legislature.
