A MESSAGE FROM SUPERVISOR MCCANN

As the last days of summer wind down and school buses prepare to roll again here in Greece, I find myself grateful for what makes this community so special: our residents. Whether it's crossing guards greeting familiar faces, families sharing first-day-of-school photos at the bus stop, or volunteers quietly doing the work that keeps Greece running smoothly, that spirit of community is what makes our town more than just a place to live- it's a place to belong.

August has been a busy month at Town Hall and this newsletter is full of events, recognitions, and milestones that reflect the energy of our community as we head into fall.

Thank you for the trust you place in your government, and for everything you do to make our town a wonderful place to call home.

August in Review

Koda Vista Neighborhood Association

Supervisor McCann and 3rd Ward Councilwoman Amorette Miller joined the Koda Vista Neighborhood Association for their annual Ice Cream Social on August 22nd. Koda Vista is one of the oldest neighborhood associations in Greece, and it was great to see neighbors come together to celebrate their community!

Jeremiah's Tavern Ribbon Cutting

We welcomed Jeremiah's Tavern to the community with a ribbon cutting celebration on August 20th. The new location, on Paddy Creek Cir off W. Ridge Rd, marks Jeremiah's fourth spot in the Rochester area. Make sure to stop by and enjoy their award-winning wings. Congratulations to the Jeremiah's Tavern team on this exciting milestone!

Honorary Kiwanis Membership

Supervisor McCann was honored to accept an honorary membership with the Kiwanis Club of Greece, recognizing the club's long-standing partnership with the Town of Greece. Thank you to the Kiwanis Club of Greece for their ongoing dedication to serve our community. We look forward to continuing this great partnership!

Job Fair

The Town of Greece hosted its employer job fair- in partnership with RochesterWorks and the Greece Regional Chamber- on August 18th, welcoming nearly 40 local organizations to connect with job seekers in our community. Thank you to all the businesses and organizations who participated and everyone who came out to make it a great event!

SPOTLIGHT: TASTE OF THE TOWN!

Thank you to everyone who came out on Sunday, August 23rd for Taste of the Town - presented by the Town of Greece and the Greece Regional Chamber of Commerce. Hosted at Town Campus, this beloved community tradition returned bigger than ever this year!

During the afternoon, residents gathered to eat, connect, and celebrate everything that makes our community special. This year's expanded event brought together local restaurants and food trucks, live music, family-friendly activities, and dozens of local businesses, nonprofits, and community organizations, giving residents a chance to enjoy great food while connecting with the people and organizations that make Greece thrive. Giveaways and raffles added extra excitement throughout the afternoon.

A special thank you to all the participating restaurants, food trucks, vendors, sponsors, and volunteers whose hard-work made the day possible, and to the Greece Regional Chamber of Commerce for their continued partnership.

Taste of the Town will continue to grow into a cherished annual tradition, one that increases visibility and opportunities for our local businesses while strengthening the sense of community that makes Greece home. We can't wait to see you at next year's event!

Recognitions

At the August Town Board meeting, the Town Board recognized several outstanding individuals:

- Brothers **Carter & Bryce Held** were honored by the Town Board for hosting a lemonade stand to raise money for and awareness of the mental health struggles faced by Veterans, in partnership with 22 A Day founder Dave Lippa. Now in its second year, the boys' fundraiser reflects their family's connection to military service and their growing commitment to supporting Veterans in the community.

- **Arbor Day** reaffirms our commitment to preserving and growing our tree canopy around the Town of Greece. Trees provide residents with cleaner air, natural shade, stormwater management, and a better quality of life; and the Town encourages akk residents to join in planting and caring for trees in their own neighborhoods.
