Instructions for Fingerprinting at an L-1 Enrollment Services Live Scan Location

ORI# NY0275400

1. Provide the applicant with the ORI number assigned to your agency. The appointment scheduling process requires the applicant to provide the correct ORI number. If you do not know your ORI number, it can be found by logging into www.ejustice.ny.gov clicking on "Message Services", and then clicking on "Civil In-Box". The ORI number will be displayed at the top of the screen (3rd line down).
2. Provide the applicant with the correct "Fingerprint Reason" that they should select when they make their appointment. If you do not know your current authorized job/license types for which your agency can submit a fingerprint for processing, please contact DCJS so that you can instruct your applicants appropriately.
3. If your agency assigns a unique identifying number to the individual (license number, case number, ID number, etc.) provide the applicant with the appropriate "Agency ID number" that you want them to enter/provide when they schedule their fingerprinting appointment. If your agency does not need a unique Agency ID number, you may disregard this step.
4. Direct the applicant to schedule an appointment for fingerprinting by going to the www.L1enrollment.com website or calling the L-1 toll free call center at (877) 472-6915. Appointment scheduling via the website is available 24/7/365. Appointment scheduling via the call center is available 9 AM – 9 PM Monday through Saturday.
5. If the applicant schedules their appointment through the L-1 website, recommend that they print out the confirmation page and bring it with them to their appointment.
6. The applicant will select the most convenient location to get fingerprinted as part of making their appointment. A list of available locations can be found at www.L1enrollment.com . Select "NY" and then click on "Locations" to view the listing.
7. Payment Methods: Payment options include personal or business check, government check, certified check, bank check, money order, credit card or L-1 escrow account. Payment made to "L-1 Enrollment Services". (NOTE: Credit cards are not accepted on-site at the fingerprinting location; a credit card may only be used at the time of scheduling the fingerprinting appointment). Should your office desire to enter into an account arrangement with L-1, information regarding escrow account arrangements may be found by logging onto www.L-1enrollment.com . Select "NY" and then click on "Forms and Links".
8. Fingerprinting Fees: The fingerprinting fee will be comprised of the total fingerprint search fee(s) plus the L-1 vendor fee. The total fee is made to L-1 Enrollment Services. Fees are as follows:

The DCJS fingerprint search fee	\$75.00
The FBI fingerprint search fee	\$19.25
The L-1 vendor fee	\$11.50

If your agency is authorized to submit an FBI card for a particular job/license type and an FBI fee is required. The FBI fingerprint search fee is waived for criminal justice employment.

The L-1 vendor fee relates to the software, equipment, and staffing costs in connection with the services they are providing to capture and transmit the electronic fingerprint submission. The fee is assessed twice per year and can change on January 1 and July 1 of each year. The highest level it can be set at is \$11.75. As more input comes through the L1 network, the fee may increase or decrease.

9. The applicant will go to the fingerprinting location and bring two (2) forms of identification, at least one of which must have a photo. When they schedule their appointment, they will be given the options of what forms of identification are considered acceptable. Such options include driver's license, US Passport, Social Security Card, etc.
10. If they did not already pay on-line when they scheduled their appointment, they will also need to bring their payment to the fingerprinting appointment.
11. At the fingerprinting location, the identification documents will be reviewed, fingerprints rolled, and photo taken. Once the applicant has been fingerprinted, L-1 immediately launches the fingerprint transaction and photo to DCJS for processing.
12. The applicant will be provided two receipts indicating the applicant's name, fingerprinting site, location, date and time, fee paid and reason for fingerprinting. You may choose to request that the applicant provide one of those receipts to your agency and retain the other copy for their records.
13. Upon completion of the DCJS fingerprint search process, the DCJS response will be delivered electronically to your "eJustice - Civil In-Box. The FBI print (if authorized for FBI search) will then be launched from DCJS to the FBI electronically (the FBI will not search their files until the state completes their search process). Upon completion, the FBI response will be delivered electronically to your "eJustice Civil In-Box". Typically, electronic fingerprint responses are delivered in a 24- to 72-hour timeframe.

Should either DCJS or the FBI reject a transaction due to image quality reasons, L-1 will contact the applicant and advise him/her that they must schedule an appointment for reprinting. There is no additional cost that will be charged for reprinting. There will be a small percentage of the population (3-5%) that have difficulties in providing a good set of prints due to the quality of their skin/fingerprint ridges.

If you have an applicant who has been rejected multiple times by DCJS, please contact DCJS for assistance at (800)262-3257 and ask to speak to someone in the Civil Identification Bureau. Our staff is willing to review the most recent transmission and determine if we can accept the transaction for processing, taking into consideration any additional information you may be able to provide to indicate that a better set of prints may not be obtainable.

In the case of FBI rejections, the FBU will require two fingerprint submissions before they will consider conducting a name search. Should your agency receive two rejections for an applicant, a name search request can be made directly to the FBI through the submission of a CJIS Name Check Request Form. Name search requests to the FBI must be made within 90 days of the last FBI rejection. To obtain a CJIS Name Check Request Form, you can go to www.fbi.gov click on "Learn About Us" then click on "Fingerprints" and finally, click on "Name Checks for Fingerprint Submissions".
